Dear Lorena,

All good - thank you for your assistance! Dan ended up buying whatever tickets he could but Lee has been great - he said Dan could ask for him and he will see what he can do to upgrade him!

Amber,

I don't know what I can do to help. When the first request came in, I put you in contact with Lee. However, I'm not sure what steps you two have done to secure the tickets.

Did you get it resolved?

Thank you!

Sorry to bother you with this, but do you have access to a couple of tickets for 11/1 that a board member of the local Bus Improvt Dist can buy? I think he does not like the remaining selection on TMaster...

Thanks.
